# Fisiha Adamu - Curriculum Vitae

## Contact Information

Phone: 0919079329

Email: Fishbrnd@gmail.com

Location: Debre Markos, Ethiopia

## Professional Summary

Passionate software engineering student with a strong focus on backend development and solving real-world problems using efficient code. Skilled in JavaScript and the Node.js framework, with experience building functional, problem-solving systems.

## Education

BSc in Software Engineering

Debre Markos University (2020 - 2025)

## Technical Skills

Front-End: HTML/CSS, JavaScript, React.js

Back-End: Node.js, Express.js, API Development

Relational Databases: MySQL, PostgreSQL, SQL

NoSQL Databases: MongoDB, Redis

## Projects

Project Title: A Website for Finding Cheap Products in My City

Duration: 4 years

Description: I have been working on various projects aimed at solving real-world problems. This specific website helps users find low-priced items in their local area. Throughout this project, I continuously improved my skills in backend development and system design, gaining hands-on experience with JavaScript and Node.js.
